

Help! (Strike 2025)

Am F
Help! I need somebody Help! Not just anybody
D G
Help! You know I need someone. Help!

G Bm
When I was younger so much younger than today
Em C F G
Bargaining had started - it's been going on for days (months!)
G Bm
But now the talks are off - And things are so unsure
Em C F G
Things are fine, on picket line - Fair wages are the cure

Am F
Help me if you can our wages down. Re-mote working options make the bosses frown
D G
Benefits, per diems losing ground. Won't you please, please, Help Me

G Bm
And now we're waiting for a deal to get done.
Em C F G
It's hard to make things happen when you're the only one
G Bm
We'll keep on walking here, we're going to make some noise
Em C F G
Until they show up giving us a decent choice

Am F
Help me if you can our wages down. Re-mote working options make the bosses frown
