

Welcome and thank you so much for being here!
Here are some of the chants and songs for the day.

When I say Democracy, You Say Rising
Democracy
Rising

Tell me what democracy looks like,
This is what democracy looks like.

Tell me what hypocrisy looks like,
This is what hypocrisy looks like.

Hootsuite, Is complicit!
Hootsuite, Is complicit!

Children torn from their mothers!
ICE agents just call them "others"!

Hootsuite, Is complicit!
Hootsuite, Is complicit!

Not in our town, not in our name!
Hootsuite have you no shame?

Hootsuite is complicit!
Hootsuite is complicit!

Give up ICE contracts now!
Apologize to families now!

Hootsuite is complicit!
Hootsuite is complicit!

ICE violence, fascist power!
Show some courage in this hour!

Hootsuite is complicit!
Hootsuite is complicit!

People, people all around
The power's in your hands

We will all stand together,
Even in Vancouver weather!

Let it pour, let it rain
Take oppression down the drain

No tyrants, no oppressors
No fascist dictators

The world won't will be fooled again,
By violent, greedy, little men

Stop the human rights abuses
We're sick of your excuses

Freedom can't be outmaneuvered
Globally or in Vancouver!

Free people stand up tall
They can't hope to beat us all

Donald Trump, you will see
We have solidarity

2, 4, 6, 8
We will never be Trump's state

Strongmen, fascists, oligarchs
We'll stop them now and do our part!

We will never stop this fight!
Freedom is a human right!
